

## **NOTICE TO STAFF/PRISONERS – LINKS CORRIDOR**

HMP Glenochil– 22<sup>nd</sup> December 2023

### **Temporary zoning/ movement changes pending remedial work in Links Corridor**

We have received expert guidance today that recommends some remedial works to be carried out in the links corridor. As a precautionary measure we have taken immediate action to put temporary zoning into the links corridor, alongside an inspection plan. Please follow the new signage for all access and egress in the links corridor area.

Yours Sincerely

Natalie Beal

Governor in Charge
