### Links Corridor Remedial Work

Colleagues,

I wrote to you all on 22<sup>nd</sup> December to inform you of the need to cordon the links corridor and that **remedial work** needs to be carried out.

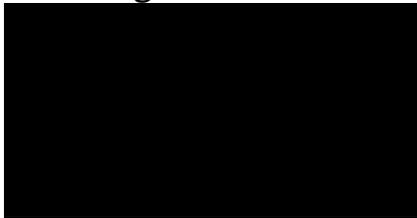

This work will take place in two stages.

**Stage 1** will commence on **Monday 15<sup>th</sup> January** where **Acro Props will be fitted** along the left-hand side of the entire corridor. This will be managed in a way that minimises any disruption to the regime.

**Stage 2** (Final Stage) will be completed by **the end of March** and I will update you once we have agreed timelines.

If you have any concerns or questions please do not hesitate to contact me personally.

Best Regards

Governor in Charge
